Package Contents

- Charging case
- Earbuds (pair)
- USB Type-C cable
- User manual

Bluetooth pairing

1. Take the earbuds out of the charging case.
2. Turn on Bluetooth on your phone or device.
3. Look for the earbuds named WallaBuds Clip Open Ear in the Bluetooth list.
4. Tap Connect. A reminder will appear when the connection is successful.

Note: If your device has pairing info saved, the earbuds will connect automatically within 2-4 seconds. If they don't connect, they will turn off automatically after 3 minutes of standby.

Turn on

1. Open the top of the charging case and take out the earbuds. They will turn on automatically and connect to your device.
2. If the earbuds are off and out of the case, press and hold both earbuds for 3 seconds to turn them on.

Turn off

1. Put both earbuds back in the charging case and close the lid. They will turn off and start charging automatically.
2. If the earbuds are connected to a device, press and hold both earbuds for 5 seconds to turn them off manually.

How to Use the Earbuds

Standby Mode	Turn on manually:	Press and hold for 3 seconds
	Turn off manually	Press and hold for 5 seconds
Music Controls	Play/Pause	Double-tap either earbud

	Volume +	Single-tap the left earbud
	Volume -	Single-tap the right earbud
Phone Call Controls	Answer/End a phone call	Single-tap either earbud (or double-tap, depending on your model's setting)
	Reject a phone call	Press and hold for 2 seconds
In Siri	Activate voice assistant	Quadruple-tap the touch area

Indicator Light Gide

Powering On	The red and white lights flash back and forth
Powering Off	Red light blinks three times
Pairing	White lights blink together
Charging	Red light stays on
Fully Charged	White light stays on

Precautions for Use

1. Keep the earbuds in a dry, well-ventilated place. Avoid contact with oil, moisture, or steam, as these can affect performance.
2. Do not clean the earbuds with strong chemicals, irritating solvents, or products that contain these ingredients.
3. Follow the product instructions and be aware of your surroundings when using the earbuds.
4. For a stable Bluetooth connection, keep the earbuds within about 30 feet of your phone.
5. If the earbuds have trouble connecting or communicating, don't try to take them apart yourself.
6. The device and accessories are not covered under warranty if disassembled.
7. Use a standard car charger or the charger recommended by the manufacturer to charge the earbuds.
8. Make sure the earbuds have enough battery power before use.
